

The 2018 Argotis  
Foundation:  
CyberPioneer  
Presented By WraySec

## Sponsorship Prospectus

CyberPioneer is a radically different approach to cyber security competitions, transforming the simple capture the flag competitive concept by incorporating a focus on real-world training and mentoring with current industry professionals. Areas of interest will include secure system design, operating systems hardening, network administration, computer network defense, incident response and computer forensics. The debut of CyberPioneer takes place on October 19-21, 2018 at Capitol Technology University – Laurel, MD

Sponsorship opportunities are now available for the Inaugural CyberPioneer. Make a difference in the regional cyber security space while promoting your organization to leading workforce talent and industry experts alike.

Your sponsorship package will help to facilitate the venue, operate a state-of-the-art cyber competition focusing on real-world training and mentoring, fund a career fair, provide future scholarship opportunities, and provide prizes for competition winners.

All sponsorships include the following standard benefits:

- Standard exhibit space
- Organization information distributed to attendees before event
- Logo and link on CyberPioneer website

Detailed sponsorship package information can be found below. Support the local and regional cyber security community and promote your organization as an industry thought leader today!
